MOTION HOMEWORK #2

Answer all questions as best you can. Be specific. Be scientific.

VENN DIAGRAM: Compare and contrast the following words. You need 5 total items.

FOR THE FOLLOWING PROBLEMS: SHOW FORMULA - SHOW WORK - LABEL ANSWER - CIRCLE ANSWER

1. Kaylee's limo drove 1,760 miles in 32 hours. What was her speed?

2. Emily's quad took 20 seconds to cover the 500 meter racetrack. What was her speed?

3. Veronica marched (and played the tuba) 6 miles in an hour and a half. What was her speed?

BONUS: Kattie the Gumdrop Princess rode her unicorn, Sparkles, at a speed of 10 miles/hour for 30 minutes. How far did she travel?
